**\*Disclaimer:** Although the Credit Union will process a member's wire request the same day it is received, as long as it is received before 1:30 pm, the Credit Union does not guarantee the receipt of any wire at the receiving institution. By signing this form you, the member, holds the Credit Union harmless from any wire not being received at the receiving institution and for any fees charged, (including wire fees, overdraft fees, late fees, etc.), the receiving institution may charge for the wire due to receipt, non-receipt or late receipt of the wire. The Credit Union only wires in U.S. dollars to U.S. banks in the United States. The Credit Union is unable to verify if the wire information you are providing on this form is correct. You, the member, are liable for the information provided and *if* that information is incorrect and *if* the wire is returned due to incorrect information. Any fees charged to the Credit Union for incorrect information will be passed on to you, the member. If the member requests a trace on a wire sent by the Credit Union, the Credit Union reserves the right to charge a \$25.00 trace fee.
